MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Grade Distribution - Instructor Development Program

REFERENCE : Memo dated 23 February 1955 from DTR to DD(S) Subject: "Proposal for an Instructor Development Program"

1. As indicated in the referenced memorandum, this Office recommended an appropriate grade distribution to be GS-11, -12, and -13 for the Instructor Development Program. This distribution was based on the anticipated level of candidates recruited for the program.

2. Initial returns from the recruitment effort indicate that there are several candidates who are eligible and should be considered for recruitment at the GS-14 level.

3. In order to avoid any accidental obstacle to the successful implementation of the program, it is requested that the grade spread be extended to GS-11, -12, -13, and -14 level.
